EDUCATION

The University of Texas at Austin *Austin, TX*
◦ Bachelor of Science in Computer Science

AUG 2015 - MAY 2019

Liberal Arts and Science Academy *Austin, TX*
◦ High School Diploma

AUG 2011 - JUNE 2015

EXPERIENCE

Intern at The University of Texas at Austin *Austin, TX*
◦ Built web applications using Processing for one of the university's computer science courses that explained fundamentals of computer science such as heuristics and regression.

JUNE 2014 - AUG 2014

RELEVANT COURSEWORK

Data Structures
◦ Time complexity and algorithms

AUG 2015 - DEC 2015

Discrete Mathematics for Computer Science
◦ Formal logic and proof styles

From Numbers to Chaos
◦ Number theory and proof styles

TECHNICAL SKILLS

LANGUAGES: Proficient in Java and \LaTeX
Exposure to Python, C++, Bash, C# and Lisp

WEB DEVELOPMENT: Familiar with JavaScript, HTML, CSS

CAMPUS ORGANIZATIONS

Mobile App Development, *member*
◦ Improves skills for Android, iOS and web platforms

AUG 2015 - PRESENT

Information Systems and Security Society, *member*
◦ Develops knowledge and skills for computer security

Association for Computing Machinery, *member*
◦ Fosters problem solving skills with competitive programming

CS Roadshow, *member*
◦ Outreach enthusing children with computer science

HONORS & AWARDS

National Honor Society
◦ Maintained an exemplary GPA and volunteering frequency

AUG 2013 - JUNE 2015

Capture The Flag
◦ Ranked 17th out of 767 teams in a national hacking competition

MAY 2014
